

MASCO YOUTH HOCKEY

From Beginners to State Champions!

MASCO Youth Hockey (MYH), one of the top organizations on the North Shore, has the right program for your child. The MYH Learn to Skate program is perfect for all beginner skaters. The Intro to Hockey and House League programs are an excellent choice for those who can already skate and are ready to learn the game of hockey. These affordable programs skate on weekend afternoons at local rinks. MYH beginners go on to skate in our program from Mite through Midget. Many MYH coaches played hockey at the highest levels, including the NHL. All coaches are USA Hockey Certified.

Best of all NO 6:00AM ICE!

MYH is more than skating, it is team building and off ice fun such as skating at the Lowell Devils and BU games.

MYH had a very successful year in 2008/09 including 2 medals at the CAN/AM tournament in Lake Placid, 4 Valley League Division Championships and for the second year in a row Squirt 1 State Champions!

If you are interested in learning more about MYH please visit our website mascohockey.com. Learn to Skate and House League programs start soon. Registration information is posted on the website and is due SEPTEMBER 15th!! **The first LTS practice is FREE with treats after!!**
